Dance-a-thon Challenge

Support Marie Curie Nurses in your area.

Marie Curie Cancer Care provides nursing care to patients with terminal cancer and other illness, completely free of charge, so they can spend their final days at home, with the people they love.

Taking on the Dance-a-thon challenge, and raising funds will help us continue providing this care and support to even more patients and families when they need it most.

Get your glad rags on

Hit the dance floor with Marie Curie Cancer Care and raise money to support Marie Curie Nurses in your local area. Our Dance-a-thon Challenge will test your endurance with at least four different dance styles over three hours.

Each hour of dancing is led by expert dance teachers, guiding you through the moves and keeping you motivated as you dance the day away. Partners are definitely not required, so come on your own or with a large group of friends - you don't even need to master every step, just carry on dancing to complete the challenge.

Dancing with Marie Curie Cancer Care

Three hours of dancing may seem daunting for novice twinkle toes, but we'll provide everything you need to make the most of your day:

- ★ Three hours of continuous dancing
- ★ Expert teachers to get you moving
- ★ A range of popular dance styles to learn, including Zumba
- ★ Refreshment breaks
- ★ A t-shirt to wear
- ★ A certificate to mark your achievement

Dance-a-thon
Challenge

No experience is needed to take part, just the determination and will power to keep moving.

It costs just **£10** to register for the Dance-a-thon Challenge, and we ask all participants to raise £50, so register today and let your feet do the fundraising.
