

Carl Alan Awards 2011

The Oscars of the World of Dance

The Carl-Alan Awards were first introduced in 1953 by Eric Morley and were named after the joint Chairmen of Mecca **Carl** Heimann and **Alan** Fairley.

The International Dance Teachers' Association was proud to present the 2011 Carl Alan Awards on Sunday 6th February, in conjunction with the IDTA President's Dinner and Dance. The IDTA were pleased that all three sections of the awards were presented:

Freestyle
Theatre
Ballroom, Latin & Sequence

There are five categories of awards in each section.

Performer's Award
Teacher's Award
Competitive Coach/Choreography Award
Outstanding Services to Dance Award
Lifetime Achievement Award

All recognised dance associations or societies were invited to make nominations in all categories and each member body of the British Dance Council or Theatre Dance Council International was invited to send a delegate to represent them on each of the selection committees. The IDTA remained independent in the selection process.

From the many nominations received, the selection committees were asked to short-list up to three nominees in each category. To be nominated for a Carl Alan Award by your peers reflects the nominee's considerable contribution to the world of dance.

IDTA would like to congratulate all the nominees; unfortunately there can only be one winner in each category.

The IDTA would like to thank Miss Angela Rippon for hosting the evening and presenting the Carl Alan Awards.
