## **THEATREWORKS ASSOCIATES**

Phil Winston's Theatreworks has been established as one of the leading performing arts colleges in the north of England for over 25 years. We have had students graduate and head straight into TV, Film, West End & Broadway. We are now starting an associate program that will enable you to train with us and work with industry professionals. These intensive days of training will offer opportunities to learn from our successful faculty, perform & eventually join our agency to be sent out for professional auditions. We strive to bring the best out of young performers in this supportive, confidence building, training environment.

### **The Course**

Classes will be held on the last Sunday of each month (excluding January & August) 10am – 5pm

The training throughout the course will consist of varied intense Workshops and Masterclasses in; Classical Ballet, Modern Jazz, Musical Theatre, Tap, Commercial and Vocal Techniques.

Pupils will have the opportunity of spending a full day within the College Complex alongside a core faculty of teachers that will be present at each day of training. We will also have a guest teacher at every session that will be currently working in the Professional dance industry that will offer workshops alongside the monthly training.

As part of the Associate program the young performers will acquire skills in communication, working with others, problem solving and preparatory disciplines for lifelong learning. Also hopefully having a good time!!!
