Miss Dance/ Dance Master 2020/2021 Finals

The 6th June 2021 was scheduled to be the Miss Dance / Dance Master 2020/2021 Finals Day incorporating winning heats from June-November 2019 but the Covid-19 virus had other ideas.

We now find ourselves with a total cancellation of the event and having to inform all of our heat winners that there will not be a Final. We thank

these young people for their support, co-operation and patience at a very disappointing and frustrating time and as a Committee we feel their efforts should not go unnoticed on what is normally a very special day in the Theatre Dance World calendar.

Winners we salute you with our roll call –
